The GUIDE Program: No-Cost Dementia Care

Includes $2,625 in annual respite care services for qualifying families—equivalent to 76 hours of in-home care

Pocket RN

In Partnership With: MINISTERING HEARTS In-Home Care Solutions

Eligibility

- ☐ **Has dementia** (we can help you obtain a diagnosis if appropriate)
- ☐ **Has Traditional Medicare Parts A & B as primary insurance** (not Medicare Advantage)
- ☐ **Is NOT currently enrolled in hospice**
- ☐ **Lives at home** (no memory care, assisted living, nursing homes, etc.—temporary rehab stays and independent living are allowed)

Note: VA patients, Dually Eligible Medicaid patients & Palliative Care patients can be eligible!

Who qualifies for the annual respite benefit?

To qualify for the annual $2,625 in GUIDE respite services, individuals must have moderate to severe dementia, as well as a family or unpaid caregiver (does not need to live with individual with dementia). Annual respite totals may vary slightly each year per Medicare.

How do I connect with a nurse?

Simply join scheduled meetings through a link using a smartphone, tablet, or computer—or connect via phone call by contacting your care team at (872) 233-4490.

No Cost to You, No Copays—Ever.

The GUIDE Program is fully covered by Medicare as part of a national initiative to support people living with dementia and their caregivers.
